

**HSW 2019**

**Nov. 8-10**

**Adult Volunteer Roles**

**Mandatory Volunteer Meeting**

**Sunday, Oct. 27th**

**Foundry (3rd Floor) | 9:00a - 11:00a**

**\*HOST** (*Must be The Harbor regular attendee & Home must be within 15 minutes of The Harbor campus*)

-Give of your time and open your house for the entire weekend to provide a safe, healthy place for a group to stay (5-12 students + 1-2 leaders). Need a separate bedroom just for the leader(s).

**-Spend time with co-hosts and the students throughout the weekend**

**-Invest in our students' lives**

-Help transport students to every location (quite a bit). This is a shared responsibility with Co-hosts.

-Help the leaders with discipline

-Responsible for medication of students

-Inform students of all house rules

-Pass out t-shirts to the group on Sunday morning to wear to church.

-Responsible for time management

-Students will each bring two 2-liter drinks/bottled water & two snacks to share. Cooking Coordinator will provide meals.

-Please **do not** stay for group sessions. This is nothing against you at all. We have brought these leaders in to have influence in these students' lives. They will build and quickly establish a trusting relationship with these students. In turn, the students will hopefully open up and be transparent with this leader and the group. This is such a fragile thing that we cannot afford to throw another variable into the mix. This is the only time of the weekend that we ask you to resist the urge to be involved & to give them space.

-Have a great time and be a part of Kingdom change

**-On Fri. night, Host will receive students at their house. You will be equipped to check-in, and take luggage & meds. Then you'll bring your group to the church for the kickoff and first session.**
